

# ***SINGER, SONGWRITER, PRODUCER***

**JAXON CLARK**

Born in Nashville, raised in West Bradenton, Jaxon Clark is a multifaceted musician with over a decade of experience in music production, songwriting, and audio engineering. Known for his work under ItsJustAGhost, Dairius, Queen Vi, and as a solo artist, he has built a reputation for crafting genre-defying music that spans hip hop, trap, pop, rock, and alternative. Jaxon's dynamic skill set and creative versatility make him a sought-after collaborator for production, mixing, features, and songwriting services. Whether he is shaping psychedelic soundscapes, delivering powerful lyrics, or producing polished tracks, Jaxon Clark brings passion, detail, and expertise to every project, turning artistic visions into reality.
